

Queen Butterfly

Cabbage White

Western Tiger Swallowtail

Pinevine Swallowtail

Common Buckeye

Butterflies

of the San Gabriel Valley

2012 Calendar

Giant Swallowtail

Gulf Fritillary

Butterflies are ultimate symbols of change, transformation, and grace. These exquisite beauties are Nature's airborne ambassadors, reminding us of the beauty of Nature around us and the necessity to protect and preserve.

The San Gabriel Mountains Regional Conservancy 2012 fundraising Calendar features 14 beautiful butterflies of the San Gabriel Valley. Along with each close-up photo is an inspirational quote.

Orange Sulphur

Red Admiral

This educationally and artistically collectable calendar makes a great gift for butterfly enthusiasts and those who want to learn butterflies, or anyone who wishes to experience the beauty of nature at its best. Enjoy!

Anise Swallowtail

Cloudless Sulphur

Painted Lady

Mourning Cloak

Monarch

2012 Calendar

All proceeds from the sales of the Calendar will be used to fund Nature Center programs and education, and feed the birds and other animals at Santa Fe Dam Nature Center, Galster Park Nature Center, and Glendora Conservancy Nature Center. All our Nature Centers are entirely operated by volunteers, donations, and fundraising projects. Your donations and support are much appreciated.
