Be Informed and Be Heard!

- **Mission:**
Mobilize neighbors to protect their homes, communities, and environments from wildfires and post wildfire events. Promote education, pool resources, and apply for grants to fund community efforts for increased fire safety and awareness.
- **What can you do?**
Pro-actively help prevent loss of life, property and cost to the Glendora Communities.
- **Why?**
Remember the recent Station Fire cost: 2 lives, 89 residences, 26 commercial properties, 160,557 acres and \$83.1 million to fight (excluding the cost of post fire mudslides).
- **For more Information:**
Please contact Glendora Conservancy, P.O. Box 963, Glendora, CA 91740 ~ Phone: (626) 335-1771.

Prevention is key to protecting our community!
